STATEMENT OF PROBABLE CAUSE

On June 7, 2016, agents with the Minnesota River Valley Drug Task Force were in contact with a Confidential Informant, hereinafter CI. The CI advised that they were able to purchase cocaine from a target. Agents were able to identify the target as Louis Antonio Smith through prior contacts with Smith.

With the assistance of other task force agents' control and guidance, the CI set up a controlled buy of an 8-ball, (3.5 grams) of cocaine from Smith. The CI and Smith exchanged text messages and set the date for a predetermined meet location and time. The CI advised that the cost of the cocaine would be \$300.00.

Prior to the controlled purchase, the CI was fitted with an audio-recording device and provided with \$300.00 of pre-recorded buy-fund money. Agents and the CI arrived at the predetermined meeting location in Blue Earth County. A short time later, the CI received a text message from Smith advising that he was arriving.

Smith was a passenger in a white Toyota 4-Runner, which was being driven by an unknown White female. This is a known vehicle of Smith's as he has been observed prior driving this vehicle and has been stopped in this vehicle by Mankato Department of Public Safety for equipment violations.

The CI provided Smith with the pre-recorded buy-fund money. In return, Smith provided the CI with a gem-style bag with a white powdery substance. The white powdery substance was weighed on a noncertified scale at 4.0 grams and field-tested positive for cocaine.

Agents were later able to identify the female that had driven Smith to the controlled purchase as Madeline Elizabeth Sachau through investigative measures, which included house police record systems and a driver's license photo. The registered owner of the vehicle is a family member of Sachau. Sachau is also in a relationship with Smith and the two have a child in common.
